Domestic Violence

312.1 PURPOSE AND SCOPE

The purpose of this policy is to adopt the Domestic Violence Law Enforcement Guidelines (see attachment to this section) established and published by the Secretary of the Executive Office of Public Safety and Security (Chapter 260 of the Acts of 2014).

For further information, refer to the: Domestic Violence Law Enforcement Guidelines 2017.

312.2 POLICY

The Tewksbury Police Department adopts the Guidelines to deter, prevent, and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The Tewksbury Police Department is committed to taking enforcement action when appropriate, providing assistance to victims, and guiding officers in the investigation of domestic violence.

312.3 INVESTIGATIONS

Members will comply with the Guidelines when responding to and investigating incidents of domestic violence.

When responding to and investigating domestic related calls involving intimate relationships, Officers shall complete the Domestic Violence High Risk Assessment Worksheet while on scene. The worksheet may also be used at the officer's discretion when investigating domestic related incidents that are not of an intimate relationship (i.e. parent/child, siblings) where one of the involved parties may be a victim of domestic abuse. The worksheet shall be scanned and attached to the incident/arrest report.

The Domestic Violence Injury Worksheet shall be completed while on scene in instances where there are injuries or reported strangulation during a domestic incident. The worksheet shall be scanned and attached to the incident/arrest report.

312.4 SEIZURE OF WEAPONS

Upon receipt of a restraining order for service, the Officer-in-Charge or Desk Sergeant shall check to determine if the person to be served has been issued an F.I.D. card or a License to Carry Firearms. The Officer-in-Charge/Desk Sergeant shall perform this task regardless if the defendant was served in court. The Officer-in-Charge/Desk Sergeant will notate on the top of the Police Department copy of the restraining order, "firearms check performed" acknowledging that he/she has performed this task noting the date, time and his/her initials.

If the person to be served has been issued an F.I.D. card or LTC, the Officer-in-Charge/Desk Sergeant shall notify the officers assigned to serve that restraining order that the defendant's FID/LTC card is to be seized along with any and all firearms.
